

South package - as-built controls record

Work rybex-d86cdd4cd0c04dea97da79c382cf790c

Package wp-78e58674787b43ccb8b63571d69e6495

Release 596f7f59-9ff9-4427-b750-9aeca91510ab

Turnover 8a8fd746-0c2f-4039-b2a2-5feb177045ef

Retained source summary

Reviewed field report retains 10 installed control points.

Recorded location is the fictional South zone.

Route coordinates and physical labels were not captured in this pilot.

This document is a record index, not a verified CAD drawing.

Fictional qualification only. No real customer or engineering approval is claimed.

Source facts are the accepted D5O pilot Work Record and exact reviewed revisions above.
